

Charging Holder for Hard-Wired Installation

Part #713099

\$149.99

Always keep your battery fully charged with this high quality custom made holder. It has a dock connector for easy connection of the device to the holder and a power cord for hard wiring to a permanent power source in the vehicle. The Holder angles 15 degrees for optimal viewing and can swivel 360 degrees. The holder comes with the AMPS hole pattern for quick attachment to any flat surface or mounting brackets such as vehicle dashboard mounts, pedestal mounts or handlebar mounts. Easily slide your device in/out of the holder. No more fumbling around for your device. Provides for safer driving when viewing, accessing and operating your device in your vehicle.

Features

- Custom fit for the bare device
- Holder rotates and swivels for best viewing angles
- Built-in cable for hard-wire installation

Compatibility

- Honeywell EDA51
