

Hollow Core Pedestal Mount - 4"

Part #215564

\$89.99

This 4-inch Hollow Core Pedestal Mount is very strong yet lightweight. It is designed for discreet cable entry to the device, allowing the cable to pass through the Pedestal Mount. When combined with an Angled Top Head (sold separately), you can create the perfect custom mount for counters or other flat surfaces.

Strong and Secure - The aluminum construction supports heavy devices, while the 6-hole round base allows you to secure the mount to any flat surface. This mount can also be attached to our larger Round Mounting Plate for additional base support.

Cord Concealing - The hollow core measures 0.75" in diameter, allowing you to discreetly run cables/cords from under your flat surface to the device.

Custom Viewing Angle - Combine this mount with any Angled Top Head (sold separately) to create the perfect custom mount for your needs.

Features

- Very strong construction supports heavy devices
- 0.75" hollow shaft allows for discreet cables/cords
- Mounts firmly to any flat surface
