

Heavy-Duty Pivot Mount with VESA Plate

Part #241422

\$114.99

A pivoting VESA mounting plate for use with ProClip aluminum pedestal mounts. Can be attached to the top of any of our pedestal mounts to provide a 180 degree pivot to face either direction. Great for when a device needs to be seen by multiple users.

Features

A pivoting VESA mounting plate with AMPS base for use with ProClip aluminum pedestal mounts.

- 180 degree pivoting head for mounting VESA devices
- AMPS hole pattern on base to allow use with ProClip pedestals or any product that uses the AMPS hole pattern
- Easily accessible thumb lever allows you to lock pivot in place
