

56" Floor Stand with AMPS Plate

Part #100208

\$209.99

This floor stand is designed to provide a clean and simple solution for scanners, tablets, cameras and more.

The base plate features 4 pads on the bottom to prevent sliding or scratching on floor surfaces. It is 1/2 inch thick and is weighted at 12 lbs. to keep devices secured and prevent tipping.

The solid section of the stand is 56 inches long and has a 1 inch hole at the top and the bottom to fit cables such as USB-A or power cables

The stand ends in an AMPS hole pattern that is compatible with ProClip holders, pedestals and other industry standard mounts.

Features

- 56" Height with all solid tube construction
- AMPS top plate fits ProClip Holders and Pedestals
- Room for small cabling inside the tube 1 Inch or smaller
