Non-Charging Cradle for the Zebra ET50/51/55/56 10.1 with Rugged Frame

Part #710266

$109.99

This cradle is custom fit to the Zebra ET50 series of tablets in the 10.1" size with the Rugged Frame.

The cradle is designed to fit all of the configurations of ET50 Expansion Back accessories in one solution. Regardless of having just the tablet in the frame, or any combination of the Expansion Back, Barcode Scanner, Hand Strap or Spare Battery, your specific combination will will fit in this cradle.

The scanner can function through the scan window on the top of the cradle while docked and locked in place. This cradle features a slot for the Hot-Swap battery so it can be changed while docked.

This cradle features a steel base plate that has the AMPS and 75mm VESA hole patterns for easy attachment to vehicles, work carts or flat surfaces. It also has additional holes to enable cables to be managed with the included zip ties to ensure a clean and safe installation. A pack of M4 fasteners is included with various lengths, washers and lock nuts to provide multiple o
