

Tablet Belt Clip with OtterBox uniVERSE Case for Samsung Galaxy Tab Active2

Part #102636

\$219.99

The Tablet Belt Clip with OtterBox uniVERSE is the State-of-the-Art carrying solutions for the Field. The Belt Clip is the first and only product of it's kind and now completely integrates with the OtterBox uniVERSE Case allowing you to keep your hands free in the field by locking your device to the side of your hip when not in use. Then, you can access it within one second when needed. The tether cord will greatly reduce if not completely eliminate dropped and broken devices in the field.

Features

- Easy to assemble Mounting Module fits perfectly into uniVERSE Case
- Buckle Mechanism locks tablet to hip when not in use
- Quick-Press release button allows instant access to tablet in less than 1 second
- Security Cord prevents dropping to avoid costly delays in repair
- OtterBox uniVERSE Case Included
