

Hard-Wired Xcover Pro Rail Mount for OtterBox uniVERSE

Part #727216

\$124.99

Keep your phone's battery fully charged in an active holder, always within easy sight and reach! Neat, discreet and convenient. Custom made with a perfect, firm fit for OtterBox uniVERSE case. Simply snap/slide your phone into place on the rail mount for easy attachment and charging connection. For fixed installation. The holder is to be connected inside the dashboard, providing an elegant installation without any cables hanging over the interior. The charging box has two USB ports: QC 3.0A + 2.4A. You have full access to the camera and all buttons when the device is in the holder.

Features

- Only for device with OtterBox uniVERSE case
- Power harness for hard-wired installation
- Holder rotates and swivels for best viewing angles
- Rotate between portrait and landscape view

Compatibility

- Samsung Xcover Pro (SM-G715)
