

Large Adjustable Tablet Holder

Part #216339

\$54.99

This adjustable cradle is designed to fit most 9 - 10 inch tablets and in a case. The cradle is designed with the intention to leave as much space open to be able to access the charging port, headphone plug and buttons on your tablet.

Once the cradle is adjusted for the right size it will allow you to insert and remove the device with a top retention arm that secures the tablet against the top and bottom of the cradle.

The included Tilt-Swivel allows the viewing angle to be adjusted up to 15 degrees to ensure the best possible viewing angle.
