

Two Way Radio Charging Holder for Hytera BD 615 with Cig-Plug Adapter

Part #732337

\$179.99

Do you rely on a two-way radio in your daily work? Make your job easier with a Proclip charging holder! This holder keeps your device within easy reach and sight while driving between tasks, ensuring your radio is always ready and fully charged.

Designed with a sleek, compact look, the holder features an integrated charging box and an LED indicator that shifts from red to green when fully charged. Pair it with a ProClip Mounting Platform for seamless use on the go.

Features

- Cig-Plug Charging
- LED Indicator
- 8.4V
